

Year 13 summer 2017 A2/A-Level Exam Dates – Subject by Subject

Please find below a subject-by-subject list of all Year 13 A2/A-Level timetabled-examinations. The Exam Board each subject is taken with is shown in brackets next to the subject name. Information is shown in the following format: Date of Exam; Day of Exam; Session of Exam (either 'am' for morning exams or 'pm' for afternoon exams); exam code.

The exact start times of exams will be confirmed when students receive their exam timetables in April 2017.

Units and subjects which are assessed by coursework, controlled assessment or practical assessment are not shown.

Please note that for subjects with new AS/A-Level specifications the majority of students will only complete the A-Level with examinations at the end of Year 13 only. As we still have Y13/14 students who may be taking old specification exams we have identified subjects that have been reformed by using the term “**new spec**” for new specification qualifications and then using the term “**old spec**” for old specification qualifications. For any Y13 students re-sitting an old-spec AS level exam these can be found in green and listed as “**AS Re-sit**”.

Please note that 'General Studies' exams are shown on the separate Enrichment exam timetables
