

## Year 12 summer 2017 AS Exam Dates – Subject by Subject

Please find below a subject-by-subject list of all Year 12 AS-Level timetabled-examinations. The Exam Board each subject is taken with is shown in brackets next to the subject name. Information is shown in the following format: Date of Exam; Day of Exam; Session of Exam (either 'am' for morning exams or 'pm' for afternoon exams); exam code.

The exact start times of exams will be confirmed when students receive their exam timetables in April 2017.

Units and subjects which are assessed by coursework, controlled assessment or practical assessment are not shown.

**Please note** that for certain subjects new AS specifications are currently being taught. Exams this applies to are indicated below in red by the use of the term "new spec". Most Year 12 students studying 'new spec' courses will not take the AS exams – only students specifically studying the AS and not intending to take the A-Level will take the exams. Your subject teachers will be able to tell you more about this. Subjects shown in black have not yet been re-formed and all Year 12 students studying these courses will take the exams during Year 12.

\*Please note that all Enrichment subject exams are shown on the separate Enrichment exam timetables\*
