

Year 11 summer 2017 GCSE Exam Dates – Week by Week

Please find below a week-by-week list of all Year 11 GCSE timetabled-examinations. Information is shown in the following format: Exam Subject; Date of Exam; Day of Exam; Session of Exam (either 'am' for morning exams or 'pm' for afternoon exams); exam code (where two codes are listed for one exam, this indicates that the paper has a foundation and higher tier paper – students will only take the exam at one tier – please speak to subject teachers to confirm which tier you will be entered at).

The exact start times of exams will be confirmed when students receive their exam timetables in April 2017.

Please see the subject-by-subject GCSE exam date list for clarification as to which specific Science exams you will be taking. Units and subjects which are assessed by controlled assessment or practical assessment are not shown.
