

Key Stage 4

Subject	Hours per Fortnight
English	7
Mathematics	6
Science Triple	9
PE	2
Four Option Choices	6 per subject

All classes are taught in mixed ability groups, except Mathematics which is set. Science is taught in mixed ability with the exception of the triple science, a cohort of the 60 most able science students.

Students select their option subjects following a guidance meeting with a Senior member of staff in January. There are no guided routes and students are advised to do subjects they will enjoy, be successful in and which feed into future career plans.

OPTION SUBJECTS OFFERED

Art	Design Tech, with Systems	Philosophy and Ethics
Biology	Food & Catering	Health and Social Care
Business Studies	Geography	Child Development
Design Tech with Paper & Boards	History	Spanish from 2020
German	ICT	Computer Science
Drama	Music	Art & Textiles
Design Tech with Timber	Physical Education	Diploma of Vocational Education Award which includes Film Studies and Photography

Diploma of Vocational Education Award/ Work Related Learning (double option) This is a bespoke option allowing students to study Wider Key Skills and other level 2 qualifications which may include Film Studies and Photography. Some students may also access work placements and off site provision. A large number of students opt to study GCSE PE which builds upon the hours they undertake at Key Stage 4.
