

AQA A-Level Chemistry – 7405: WBHS Summer 2021 Assessment Record

Record produced and finalised by:

Head of Department: DUNCAN THURLOW

Role: Acting Head of Chemistry

Signature: 

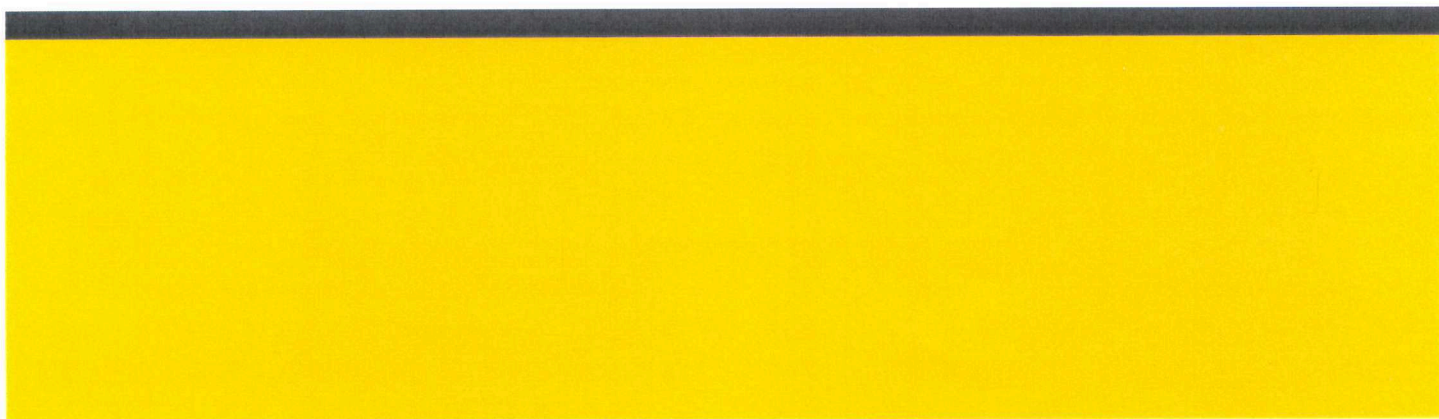

Date: 6/7/21

Second Verifier: SCARLETT WATTS.

Role: ACTING HEAD OF CHEMISTRY.

Signature: 

Date: 6/07/21

	Type of Assessment	AQA A level Chemistry 7405 Assessment Objectives (AO)			Level of Control H, M, L (Dates of standardisation)
Order of priority		AO1	AO2	AO3	
Assessment 1: AQA 2020 A-level Chemistry Series	<p>Standard Paper 1, 2 and 3 reflects a balanced wide range of content across the specification and all AOs.</p> <p>Papers sat as six one hour sections during regular lesson time with all students sitting the paper on the same day.</p>	Y	Y	Y	<p>H</p> <p>Paper 1: Thursday 29.04/ Friday 30.04)</p> <p>Paper 2: Wednesday 05.05/ Thursday 06.05</p> <p>Paper 3: Tuesday 11.05/ Thursday 13.05</p> <p>Mark schemes adhered to, differentiations from strict wording or numerical answers recorded in a word document by department.</p> <p>Standardisation completed for Paper 1 which highlighted the need for common single marker across each section for cohort to further eliminate variation.</p>
Assessment 2: AQA 2019 A-level Chemistry Series	<p>Standard Paper 1, 2 and 3 reflects a balanced wide range of content across the specification and all AOs.</p> <p>Paper 1 and 2 sat as ten 20-25 mark electronic quizzes of 2-3 questions via Microsoft Forms.</p> <p>Paper 3 sat as an Microsoft Team Assignment.</p>	Y	Y	Y	<p>L</p> <p>Paper 1 and Paper 2 Weekly Consolidation Quizzes began on w.c 22.02 and ran until w.c 10.05</p> <p>Paper 3 was made available to students w.c 29.03 and was self-assessed marked in class 13.04 with images uploaded to Teams Assignment or Papers requested to be returned after JCQ announcement.</p> <p>Mark schemes adhered to and electronic record of marking available to department via Teams and Forms.</p>
Compensatory considerations					
Weekly quizzes (September 2019 – February 2021)	Designed to encourage development of recall of knowledge	Y			<p>H/L</p> <p>(Students tested weekly on ten multichoice or single mark questions taken from AQA Exampro).</p> <p>Majority of these were sat as in class paper quizzes other than during lockdown periods.</p>

End of term topic tests	<p><i>Constructed using AQA Exampro tool.</i></p> <p><i>To reflect the topic covered and across the AO bands and a spread of demand.</i></p>	Y	Y	Y	<p>H</p> <p>AS Paper 2019 Series w.c 19.10.21 Paper 1 and w.c 02.11.21 Paper 2 sat as four 45 minute sections.</p> <p>w.c 7th December 2020 Year 13 Autumn topic assessment</p> <p>w.c 21st October 2019 Year 12 Driving Test topic assessment</p> <p>w.c 16th December 2019 Year 12 Autumn topic assessment</p> <p>w.c 10th February 2020 Year 12 Spring topic assessment</p>
Weekly Independent Study	<p><i>HOMEWORK:</i></p> <p><i>Designed to give the student a full exam question based on the current topics being covered in school each week between 10-15 marks.</i></p> <p><i>BOOKLETS</i></p> <p><i>Designed to encourage students to create a booklet of key terms and fundamentals for each topic area to complement taught lessons.</i></p>	Y	Y		<p>L</p> <p>Weekly homeworks were set and collected by staff and marked against AQA mark scheme either as paper sheets prior to lockdown or via email/Teams assignments during lockdown and afterwards.</p> <p>Independent Study and Spec Review Paper Booklets checked for completion each half term by department staff prior to lockdown and set as OneNote Teams assignments during lockdown and afterwards.</p>

Appendix Table: This additional table is for a single external candidate (ex-student from WBHS) who had requested to be awarded the qualification due to personal circumstances.

Assessment	Type of Assessment	AQA A level Chemistry 7405 Assessment Objectives (AO)			Level of control (H, M, L)	Dates of standardisation
		AO1	AO2	AO3		
Assessment 1: AQA 2020 A-level Chemistry Series	<p><i>Standard Paper 1, 2 and 3 reflects a balanced wide range of content across the specification and all AOs.</i></p> <p><i>Papers sat as three two hour sessions on 11th, 18th and 25th May to match regular exam experience</i></p>	Y	Y	Y	H	<p><i>Paper 1: Thursday 29.04/ Friday 30.04)</i></p> <p><i>Paper 2: Wednesday 05.05/ Thursday 06.05</i></p> <p><i>Paper 3: Tuesday 11.05/ Thursday 13.05</i></p> <p><i>Mark schemes adhered to, differentiations from strict wording or numerical answers recorded in a word document by department.</i></p> <p><i>One staff member (DNT) marked all three papers using the standardisation word document above to ensure awarding matched year group marking.</i></p>
