<p><i>If an assessment objective has been omitted at subject cohort level please briefly outline the reasons why:-</i></p> <p>The speaking assessment (7652 Paper 3 IRP) was removed from the CAG process by AQA when the exam period was announced as being cancelled.</p> <p><i>Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:-</i></p> <p>The department decided to carry out three in-centre assessments to show evidence of performance in exam conditions, away from potential outside help (internet usage, translation sites and dictionary help).</p> <p>These assessments were collaboratively planned, completed, marked and carefully moderated and standardized across three specialist French teachers, using AQA assessment criteria. The marks were used to determine their TAG.</p>
