<p>If a unit has been omitted at subject cohort level please briefly outline the reasons why:-</p> <p>Unit 3 – Power and the People, Paper 2 AB has been omitted in line with exam board ruling that one unit out of the four could be omitted this year due to the restrictions placed on teaching due to COVID</p> <p>If an Assessment Objective has been omitted at subject cohort level please briefly outline the reasons why: -</p> <p>All Assessment Objectives have been covered. The breakdown of Assessment objectives across the exams are:-</p> <p>AO1 35%</p> <p>AO2 35%</p> <p>AO3 15%</p> <p>AO4 15%</p>												
<p>We have covered all the GCSE Units (4) bar one, in line with exam board rulings that this year all centres could choose a unit to drop for 2021 exams. We chose to drop Unit AB from Paper 2 - the Thematic study. AO3, which is covered in this unit, is also covered in the Conflict and Tension (BB) on Paper 1, hence all assessment objectives have been met. This means we have covered a wide spread of skills and knowledge across the different topics and Assessment objectives, most of which are covered more than once. For all assessments, whether limited, medium or high control, we have seen consistent levels of attainment for individual students</p>												

across the board, and these are in line with both what we might have expected from the range of students we have, and in line with previous years' results. We therefore feel confident that our assessments do effectively support our grading decisions.
