

AQA Level 2 Project – Higher Project – 7992:

WBHS Summer 2021 Assessment Record

Record produced and finalised by:

Head of Department: JAMES MARSHALL

Role: HPQ COORDINATOR

Signature: 

Date: 05/07/21

Second Verifier:  (James Branson)

Role: EPQ Co-ordinator

Signature: 

Date: 7/7/21

This is a standalone qualification developed for G&T students in Year 10. Taught skills were delivered after school as part of an extra-curricular programme and then following the national lockdown in January 2021- sessions were delivered remotely. Sessions consisted of:
Introduction to HPQ Level 2
Initial planning and how to develop ideas
Using and accessing available resources
Research methods and carrying out independent research
Information sources and the assessment of what makes a 'good source'
Use of academic journals/articles
Project development
Time management
Critical thinking
Analysis of sources
Analysis of data and what conclusions can we make from statistics
Harvard referencing
Presentation skills

Assessment objectives				Date moderated	Level of control
AO1	AO2	AO3	AO4		
Manage (10 marks) AO1 Manage • select a topic and agree project aims and objectives • produce a project plan • carry out the project applying organisational skills and using a range of methods and resources, to achieve agreed objectives	Resources (10 marks) AO2 Use resources • research, collate data and select relevant information from a variety of resources • apply information in a relevant manner to achieve agreed objectives	Develop and Realise (20 marks) AO3 Develop and Realise • select and use a range of skills including appropriate technologies to complete tasks • working with others • problem solving • achieve agreed objectives	Review (10 marks) AO4 Review • analyse project outcomes including peer evaluation • communication skills • present project outcomes in an appropriate format		
All assessment objectives are met and assessed via student submission of completed project, incorporating all aspects including and referencing individual presentations.				20th May 2021 Moderation of sample with JJB (EPQ Coordinator)	Low level of control due to individual & independent project
