If an assessment objective has been omitted at subject cohort level please briefly outline the reasons why:- All AO's have been covered.					
Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:- • All performance and composition coursework was completed and recorded, covering AO1 and AO2. • Written paper (Unit 3) assessments included: ◦ Entire 2020 (Nov) paper completed in May 2021. As 3 of the set works were studied during lockdown, the 3 lowest scoring questions were not counted. ◦ 5 mini assessments completed in April 2021, each completed following a lesson or two of revision on the assessed work.
