*Dear Parents/Carers. Having had a successful first day of Covid-19 testing I am very disappointed to tell you that late this afternoon the main incoming water supply pipe to the school burst. We have tried to resolve this situation but unfortunately this will not be rectified in time for school tomorrow. Therefore, school will not be open to students tomorrow because we will have no water supply or heating. Yr.9 and Yr.10 students were set work prior to the Christmas holiday for the first 2 days of term which they should continue with tomorrow. Further details about Yr.9 and Yr.10 Covid-19 testing will be sent out tomorrow. Yr.13 students should continue to revise for their Trial Exams which will now start on Thursday – further details about this will be sent to students tomorrow. Students in Yr.11 and Yr.12 will be set work by their teachers for the lessons they have tomorrow and therefore they should check their e-mail and Teams accounts for this. Please be assured I have not taken this decision lightly and have liaised with the Local Authority who have supported this decision. Thank you.*

STEVE WILSON  
Headteacher/National Leader in Education
