

Year 11 Summer 2020 Exam Dates – Week by Week

Please find below a week-by-week list of all Year 11 timetabled-examinations. Information is shown in the following format: Exam Subject; Date of Exam; Day of Exam; Session of Exam (either 'am' for morning exams or 'pm' for afternoon exams); exam code (where two codes are listed for one exam or F/H is used, this indicates that the paper has a foundation and higher tier paper – students will only take the exam at one tier – please speak to subject teachers to confirm which tier you will be entered at).

The exact start times of exams will be confirmed when students receive their exam timetables in April 2020.

Students taking the three GCSEs in Science will take the exams with the word 'Triple' in the title. Students taking the double-award Combined Science GCSE will take the exams with the word 'Combined' in the title. Students studying PE will take either Cambridge National PE or AQA PE. Those taking the Cambridge National PE have one exam, whereas students taking AQA PE have two exams.
