

Year 11 Summer 2019 Exam Dates – Subject by Subject

Please find below a subject-by-subject list of all Year 11 timetabled-examinations. The Exam Board each subject is taken with is shown in brackets next to the subject name. Information is shown in the following format: Date of Exam; Day of Exam; Session of Exam (either 'am' for morning exams or 'pm' for afternoon exams); exam code (where two codes are listed for one exam, this indicates that the paper has a foundation and higher tier paper – students will only take the exam at one tier – please speak to subject teachers to confirm which tier you will be entered at).

The exact start times of exams will be confirmed when students receive their exam timetables in April 2019.

Units and subjects which are assessed by controlled assessment or practical assessment are not shown.

Science

Year 11 students will be entered for either the 'Combined' Course or will be taking 'Triple' Science – please speak with the Science department to confirm which route you will be taking. In each case, students take six exams and the 'Combined' and 'Triple' exams occur on the same dates. The major difference is in the content of the exam papers and that the Triple exams are for a longer duration.
