## To: Parents of all Year 12 Students

Dear Parent,

I am writing to invite you to Year 12 parents evening where subject teachers will be available to discuss your daughter or son's progress on the evening of Thursday 12<sup>th</sup> March, from 4.30 – 6.30 pm. I very much hope that you will be able to attend. The Parents' Evening provides an opportunity for you to talk to staff in more depth about the progress of your daughter/son and to discuss their progress check that you will receive Wednesday 11<sup>th</sup> March. Although I will be in attendance as a teacher with my own class, I will be available should there be any urgent matters you wish to discuss.

Students will be requested to make appointments (at mutually convenient times) with their teachers directly. I hope you will bear in mind that some staff teach a very large number of students in this year, and that the length of meeting by necessity must be limited. We would expect your daughter/son to come along with you and for them to bring a means of recording advice and targets that will help in their preparation for the important assessments in the end of Year 12 exams which take place in June.

We are also aware that when we organise events of this size, travelling to the school by car along Deneholm and getting parked can be problematic. Therefore I suggest that, if possible, you walk to the event.

Yours faithfully,

Mr R Chambers  
Assistant Head of Sixth Form  
Head of Year 12
