

September 2018

To : Parents of Year 12 Students

**Year 12 Parents' Information Evening
Thursday 13th September 2018**

I am writing to invite you to this very important evening, which is designed to give parents ideas and information about how to support their son/daughter during their time in the Sixth Form. Students should **not** attend this event as they will receive all the information during the tutorial programme. The Sixth Form Team will be covering the following areas:-

- Important dates
- Changes in approach to learning that many Post 16 students have to undertake
- Threats to success
- The "Driving Test"
- The University and careers advice offered
- The General Studies and Enrichment Courses

The evening will be held in the main school hall at 6.00 pm and will finish at 7.00 pm.

Please return the reply slip below by Tuesday 11th September. I would ask you to make it a priority to attend this event.

Yours faithfully

Mr S Williams
Head of Sixth Form
